### A NOTE FROM MRS. DEBBIE

RECITAL SEASON IS HERE!

We are busy learning routines and polishing our skills for the big show. Our students will experience a performance with professional lighting, sound, and sets with the quality of a musical production! It takes hundreds of hours and much hard work from staff, dancers, and parents to make this happen! Please help with making sure your dancer makes it to all classes and rehearsals so they feel comfortable and the dancers that ARE here do not become frustrated! Encourage your dancer to practice. Repetition makes

skills stronger! It is especially difficult for preschoolers to stay motivated when they must "rehearse" their routines. Practice promotes confidence!!!
